AGE CATEGORIES

1. The age categories for participants are 5-9, 10-15, 15-20, and 21+.
2. If participants in a group performance are of different ages, please select the oldest child's age to determine the age category for the performance.

4. For the age category 5-9, participants will be allowed to use dance forms and songs taught by Vandita with a mandatory variation in original choreography.

AUDIO

1. Only folk genres and devotional songs (semi-classical) are allowed for the competition. We will **not accept** Bollywood or filmy songs, including instrumentals or background tracks of such styles.

Example: Pinga from the Bollywood movie Bajirao Mastani will not be considered, but the original folk Pinga song can be used. Another example: The Despacito Carnatic mix will work for fusion dance but not the original Despacito by Luis Fonsi.

2. Audio track must be sent in **MP3** format only. We will not accept any other audio format or create any audio conversions on your behalf. You must email us your audio track at NK@nruthyashakti.com and make sure to name your mp3 file the same as your performance name.
3. The deadline for audio track submission is **72 hours** from the time of your registration.
4. The audio track length should be **3 minutes** long. Only devotional and classical audio tracks will be allowed for **4.5 minutes**. Please ensure this requirement before you send us your audio track, as we will reject any audio submission that does not adhere to the above conditions.
5. Any audio track submission will be used only **once** for the dance category in the event. Hence, it is essential that you send us your audio track at the earliest- we will accept the audio on a first come basis. Suppose another participant has already submitted the same audio, we will notify you immediately, and you will have to select an alternate audio track for your performance.
6. You are responsible for the quality of your audio submission. NSDA will not be held accountable for any audio-related issues.
